

SIGNATURE EVENT — NOVEMBER 7, 2019

Dear Friends of St. Joseph's:

As a corporate partner, community collaborator and philanthropic investor, please consider joining us for an amazing evening of connectivity, education and entertainment at the Second Annual St. Joseph's Signature Event, Thursday, November 7, 2019!

St. Joseph's Signature Event promises to be an evening to remember for hundreds of dedicated community members. This one-of-a kind event is designed to bring people together, showcase the advanced medical technology at St. Joseph's, mingle with friends old and new, and celebrate the accomplishments of our Valley's longest operating and most-revered healthcare institution: St. Joseph's Hospital and Medical Center, including St. Joseph's Hospital, UA Cancer Center at St. Joseph's and St. Joseph's Westgate.

I take pride in serving the century old mission of St. Joseph's, which was established in 1895 and continues to sustain the highest standard of healthcare delivery branded by *"hello humankindness."* Won't you join us in our efforts to continue spreading our mission and message to many more in our community?

Enclosed you'll find Signature Event sponsorship information, providing details and options on how you and your company can connect with the St. Joseph's community. Please consider making a sponsorship commitment today by filling out the forms attached or making a few clicks online at **SupportStJosephs.org/1895**.

As a sponsor, you and your company will join a very committed group of St. Joseph's supporters, who will be recognized at the Second Annual St. Joseph's Signature Event. This event is evolving into a grand community tradition that brings joy to all who attend, and yet the greatest reward is knowing that we are partnering together to influence healthy outcomes for all the patients of St. Joseph's.

Seize this unique opportunity and become a sponsor of our Signature Event today!

I look forward to partnering with you and seeing you at **St. Joseph's Signature Event, November 7, 2019, at Dignity Health St. Joseph's Hospital and Medical Center.**

Sincerely,
